

Portfolio Review

European Elections 2014 Project

November 4, 2014

Graphs and Figures

Figure 1: Overview of EE14 project grants in Europe

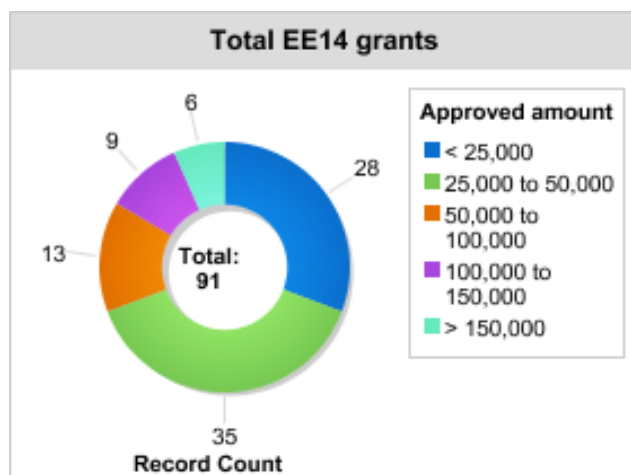

5 priority countries with number of grants in each*:

- France (28)
- Hungary (34)
- Greece (26)
- Italy (31)
- Netherlands (29)

**including those grants that were of pan-European nature and/or targeted several countries simultaneously.*

Figure 2: Total nr of elections-related grants per amounts

The total amount OSIFE has spent on elections-related efforts amounts to 6.16 million USD. The total spent on grantmaking was 5.7 million USD (see next figure for details).

Figure 3: Total expense distribution of grantmaking as key tool

Our contribution: budget spending from the European Elections 2014 project
Other contribution: budget spending from other OSIFE clusters or OSF programs

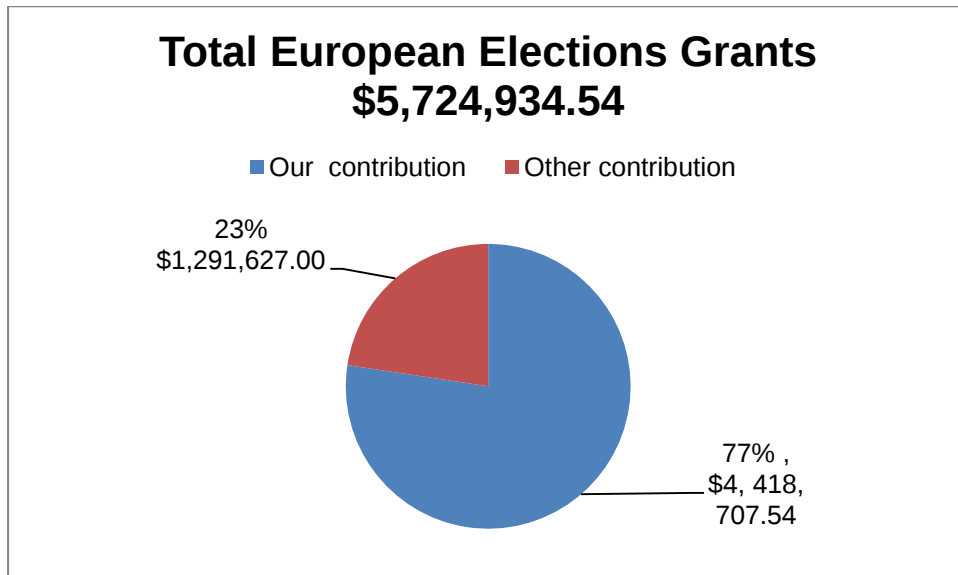

Figure 4: Total expense distribution of other expenses

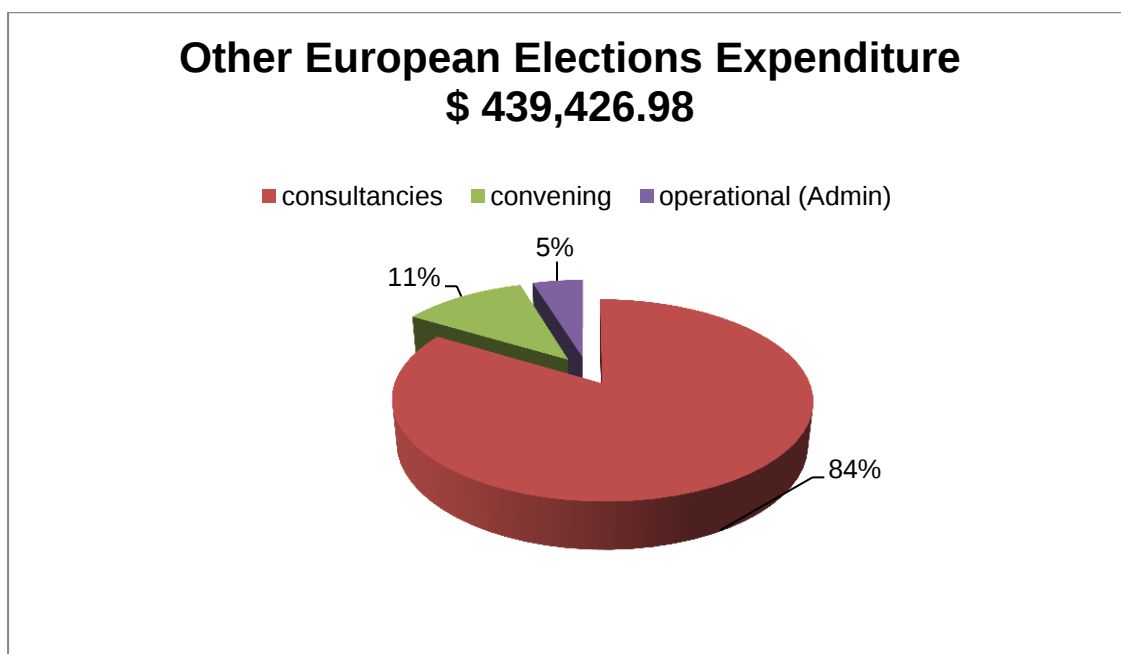

Figure 5: Distribution of EE14 project owned grants per category/topic

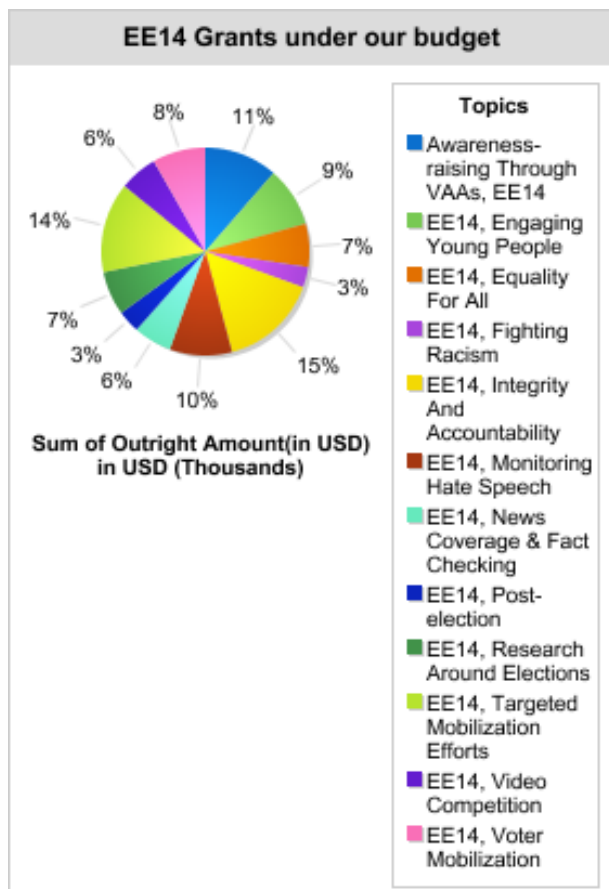

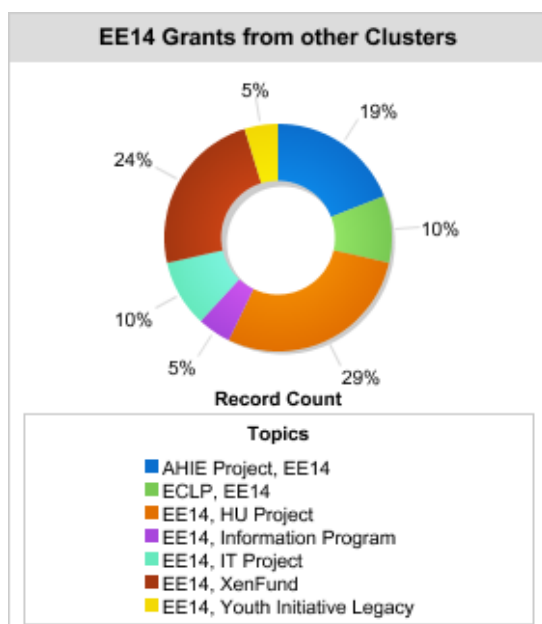

Figure 6: Distribution of grants owned by other OSIFE clusters and/or OSF programs

These dashboards are available in the FC sys [here](#).
