iMessage Apr 18, 2018, 8:26 PM I am still surprised by how terribly you talk to me and treat me. Tonight I have talked to our girls - they are all struggling with different issues. It is painful and exhausting. No one knows where you are. No one is able to reach you. Our three girls are incredible but they could use their dad - but you are completely unavailable. Apr 19, 2018, 1:41 AM \$900 Apr 19, 2018, 4:46 AM Tell me how you want to handle bills. I can't keep doing this. I have my infusion today and after talking to you, I couldn't sleep. Should I just assume you won't be paying me back? Maisy's tutoring bills alone are over \$1500. If you could just please answer me. \$2,000 Do I Somehow owe more than that a month beyond everything else. Just have them send bill to new office address. Ask Katie. You never let me in You ha e completely isolated me from you. I get it. But if you don't think I cry every day Thinking of you and what you're going through Anyway I I'm weak venal and selfish and I don't care about anyone and I Hoard money and give it away to the Olivere's OK. I'll just assume you won't pay me back the rest of the bills. I'll ask Katie if she can put a card on file at prep matters and with the therapist. Isolated you???? You don't answer my calls or texts ever. I have no idea where you are and then you yell at me like you did last night. Tell me how I could possibly count on you. Sounds about right. What are you talking about. Are you saying there's bills i M responsible for that I said I won't pay. Name one time. I'm paying as fast as I fucking can I didn't yell Kathleen I didn't do anything but have a panic attack that there was an emergency with you. I cried for the next 2 hours by myself in a parking lot. Maisy also cries most nights and has missed school. Naomi also is crying. So is Finnegan, who was texting me at 2am. All three girls are depressed. All three girls are working with therapists to live a life where they don't know if their dad is going to die of an overdose or get arrested. DO NOT SWEAR AT ME. I literally cannot take it. FAKE that you are ok. Fake that you don't have money problems or keep it to yourself. I do not receive child support. You agreed to be responsible for the girls' finances. If you don't want to pay for tutor or therapist, I will pay it and stop asking you. JUST TELL ME, nicely. What are you saying K. Have you ever given me a bill I didn't play? What do I have to fake? That I don't have money problems? What money problems? You mean the ones my dad took care of? I laid all tuitions and the girls spend like drunken sailors on my credit cards that I don't even use. What are you talking about? Just put the bills in my name that I'm responsible for. And send to me. I am working my Ass off and per usual everyone who has not seen nor talked to me (everyone including you have this # - did everyone not think to call it). I'm not going to do this Send the bills What aren't you going to do? I have texted you what you owe me for tutor and therapist. They direct debit my account. I'm not sending bills. I told you what I've paid. Never mind paying me back. This is worth it. lsn't HOW MUCH IS IT K. I just sent you \$2900. Is it less is it more. If you won't send bills how am I to know. Just tell me NOW how much. You sent me \$900 Click to Download IMG_1814.jpeg 333KB I didn't see that \$2000. Thanks Loading... I've never used Apple Pay before. I don't think I meant to send it back to you so disregard. This is so exhausting. I honestly don't think I can do this anymore. I'll email Katie and ask her to take put a card on file for Maisy's doctor and tutor. If you think girls are spending too much money, it is worth having a talk with them and giving them a flat, monthly stipend to live on and tell them they have to budget with their allowance. Well that would have saved a lot of hurt if you had seen it. I am so broken by the things you say about me to people and the things you say to me hurt the worst. I'm sorry I use curse words but saying fuck is y like saying What now you don't like the way I sent the money I don't talk about you to people. I wish you were healthy and happy. I am sad thinking about you. I am focused on work, getting better and the girls. Fine Kathleen but truly what is stressful. Tell me and I'll fix it. But if you won't put the bills in my name them you just go ahead and pay them. Because the least stressful way would be to do that and you won't for a reason that must have to do with keeping me away from girls.. I am healthy. It is impossible to be happy when you say these things to me. Impossible, unless maybe I remove myself from the entire picture. I don't understand anything you just said. I'll ask Katie to put a card down for Prep Matters and the therapist. I do not want to bother you with the bills - it is equally unpleasant for me. That's great that you are healthy. Is this now the number that you will be using? Apr 20, 2018, 8:34 AM I'm heading up to Philly now to take Finn to the doctor. Have 3pm appointment with a doc. I think she has a UTI. She's in terrible pain. I'll spend the night with her. Poor kid. We will stay at hotel. Call anytime and I'll keep in touch. Apr 20, 2018, 2:05 PM 10 mins Apr 21, 2018, 7:33 AM Finn and I are at The Study hotel. She's started on meds but is still in a lot of pain and discomfort. I think I'll go back to dc to be with Maisy but I may leave Finn at hotel so she can be close to a private bathroom. Poor Finny. Apr 28, 2018, 10:21 AM I'm really sad Kath. I wish I could be there for you. I'm trying not to be so selfish and self consumed. Apr 29, 2018, 6:45 PM Don't worry about me. I'm good. Work on taking care of yourself. Check in with girls - just quick check in to let them know you are ok. Make it simple - it's ok. Girls loving you, just worry. Apr 30, 2018, 4:44 AM Morning Hunt. Could you call today? Just want a quick check-in about girls' summer plans. I'm afraid they are making some expensive plans and I want to be sure you are ok with it. Remember, ok to say a pleasant "no, can't do it Girls - but love you" May 1, 2018, 6:13 PM I am at a loss May 14, 2018, 6:09 AM Thank you for my fanny pack - I love it. Finnegan surprised me at dinner - I had all three girls. We went to Morton's. I told them I hadn't been there since I was pregnant with Maisy! I went to bed listening to the girls laughing in the living room. May 15, 2018, 7:32 AM Hunt, forgot to have Katie put your card down for Maisy's therapist. I'll have her do it this week but I paid last two visits plus Naomi to dentist. When you get a chance, it's \$925. Thanks May 15, 2018, 1:00 PM Thanks! How are you? Maisy's game yesterday was brutal - they were down 9-0 and the game got called for weather so they are picking up where they left off on Wednesday - painful. Will it be live streamed again I tried to catch part of it . May 16, 2018, 5:51 AM She cried last night - she is really stressed about the game - and I think also missing you. Are you coming back for her prom? It is next Friday - Memorial Day weekend. If you can't make it, better to let her know now. May 16, 2018, 5:58 PM What time does stream start. Ill be watching babe. Remember just play loose and confident. You've had an incredible season and you've been an incredible captain. Show your team what it means to be a great competitor a true leader and an extraordinary athlete. Play the game the way Maisy always plays the game - she owns the field she owns the court she owns the stadium and everyone else is only there by her permission. You truly are a champion Maisy. Everyone that sees you play or even stand in a cast in the sidelines knows that they are watching a rare thing - they see greatness in you. They see grit and determination and the thing I see most is loyalty. Loyalty to your teammates but even more beautiful is your loyalty to play the game no matter the score no matter the weather no matter anything. You always amaze me Maisy in every way. Sorry called dropped as I walked in door and I got distracted. Your text was very sweet. Maisy seems good - she loves having her sister Home. Enjoy dinner with Naomi!!
